

Act like a startup!

Create a digital solution for a leading Finnish company or organization and win 10,000 EUR!

Join the Accenture Digital Innovation Challenge (ADIC) with Slush and put your talent to work in solving real-life digital challenges for some of the largest Finnish companies and organizations.

We are looking for the most talented and innovative students and recent graduates from Finnish universities and polytechnics.

High performance. Delivered.

What's in it for you?

- Solve a real-life digital challenge for a leading Finnish company or organization
- Get the chance to win 10,000 euros
- Get up on the ADIC Slush stage and present your idea
- Learn from the best professional coaches
- Jump start your professional career
- Network with professionals, startups, and other talented students

Apply before
September 16th!
