

**Venue:** Weicherdange (Luxembourg)

**Date of the Workshop:** 12/09/2010 - 17/09/2010 (excluding travelling days)

### *The essentials of video production: Express yourself visually*

#### **Subject area:**

Media and Communication

Artistic education

#### **Target Group:**

Anybody aged between 18 and 65 years wanting to enhance their understanding in the area of media awareness and media competences. In an effort to further their technical and creative skills the participants will gain an insight into video production.

Each participant will learn how to efficiently plan and produce a short video, while applying critical and creative thinking and working towards a brief, managing to successfully communicate ideas to other team members, and executing a project from concept to completion.

A dedicated interest in video and media, basic computer skills and basic knowledge of English are a must. No previous video production experience is necessary in order to participate.

#### **Main activities Programme:**

Over the course of 6-days the participants will have a chance to sample the various aspects of video production. An introduction to storytelling, storyboard lessons, script writing, character building, sound recording, filming and editing are all part of the training given in order to complete the final task: produce their very own 3-minute video.

##### *The workshop's programme:*

1<sup>st</sup> day. Introduction of participants. Overview of different video formats and introduction to storytelling and script writing.

2<sup>nd</sup> day. Introduction to sound and camera

3<sup>rd</sup> day. Introduction to editing. Plan a 3-minute video project

4<sup>th</sup> day. Continue planning a 3 –minute video project. Filming of the video project.

5<sup>th</sup> day. Editing of the video project. Screening completed videos combined with Movie Awards ceremony

6<sup>th</sup> day. Day trip to Luxembourg-city to be filmed and documented by the participants.
