Honourable prospective delegates,

it is our outmost pleasure to invite you to the 11th Session of FINMUN - the only University level Model UN Conference in Finland.

Are you interested in diplomacy? International affairs, politics and law? Want to improve your public speaking and negotiation skills?

Become a Diplomat for 4 days and participate in FINMUN2016.

This year you will get to debate and solve international drug related conflicts in two different committees.

The committees simulated will be the UN Security Council and UN Human Rights Council.

FINMUN2016 offers the best mix of social, educational and diplomatic aspects of Model UN: debate in the morning, education in the afternoon, party in the evening. In the debates you will improve your public speaking, negotiation and diplomatic skills while engaging in debate on current topics. We also take pride of our wide range of extra-activities which include visits to embassies in Helsinki. Our main social - the Thursday night Sauna Diplomacy evening - is unique to our conference and has gained world wide attention. In addition to that we're hosting MUN Sits.

With two committees and international delegates, FINMUN offers a conference like no other!

Model UN isn't a mere role-play. It is a challenging, yet fun simulation of the most global institution in the world. Over the course of the conference you represent an allocated country to your best of capacity. Your task is to embrace the spirit of your country's foreign policy and engage in fast paced debate on a security related topic. At Model UN you don't only learn new skills of debate, public speaking and negotiation, but also learn how the dynamics of the international system work. But above all, Model UN is a fun way to challenge yourself and meet a bunch of new cool people.
